# GigE Interface Card

GE-5G40E

Features

● Gigabit Ethernet interface,maximum 4 connections, providing 2.5 Gbps bandwidth respectively with a maximum transmission distance of 100m

● Support POE power Supply,max 8W per channel,providing max 26W by four channels

● Ethernet port Status indicator

● CE,KC certificates

Dimensions (mm)

Specification

Model		GE-5G40E
Basic	Type	NIC
	Model	GE-5G40E
	Number of Channels	4 channels
	Camera Compatibility	GigE industrial camera、2.5GigE industrial camera
	Number of Cameras	Max 4 cameras
Software	Operating System	Windows7/10 64bits, linux, Ubuntu
Power	Power Supply	6-pin ATX
	Power Consumption	3.6W（without POE）
Structure	Product Dimensions	151mm×126.3mm×21.6mm
	Net Weight	182g
Host interface	Host Bus Standard	PCIe Gen2 X4
Port	Interface	4×RJ45
	Transfer Rate	100Mbps、1Gbps、2.5Gbps
Environment	Operating Temperature	0~50℃
	Storage Temperature	-20~70℃
	Operating Humidity	10% ~ 90%RH ,non-condensing
	Storage Humidity	10% ~ 90%RH ,non-condensing
